I. JOINT AND SEVERAL LIABILITY

The Tenants hereby agree that they are jointly and severally liable for the performance of all obligations created by this contract or imposed by law. Each tenant guarantees the faithful performance of this contract by all other tenants and agrees to pay the full amount of the stipulated rent no matter how many occupants remain in the dwelling. It is expressly understood that this Lease is for the entire Term regardless of any other reason tenant(s) is unable to occupy or continue occupying the Premises.

II. SECURITY DEPOSIT

The deposit indicated above is to be paid in full at the time this agreement is signed. Said deposit is to be held by the property owner and shall not be applied toward any monthly payment but may be held by the property owner as partial liquidated damages in the event of default. If this agreement is terminated by the Lessee for any reason prior to the end of the term of the lease, the deposit will be forfeited. The forfeiture of the deposit in no way excuses the tenant of the obligations created by this lease or imposed by law.

Within 30 days after the completion of the rental agreement, the security deposit shall be returned to the tenants, less any amounts due for damages suffered to the premises and less any other amounts due the lessor as

herein agreed. Any such deductions shall be itemized by the lessor and delivered to the tenants with the balance due. **For tenants to receive the return of their security deposit, if any, tenants are required by law to provide the lessor with a self-addressed stamped envelope with which this written notice and deposit may be sent.**

III. FEES

a. LATE RENTAL FEES

All rents are due on the FIRST day of the month and are to be paid in full in one payment on due date. Any tenant whose payment is more than 5 days overdue will be charged a late fee. There are **no exceptions** to due date of rental payments. **If you leave town/country, rent is still due on the 1st of each month. You must either pay the rent before you leave or make your payment online.**

*All rent must be paid on the date it is due. Rent must be paid in full to occupy. Landlord reserves the right to deny possession of the Leased Premises at the commencement of the Lease Term if the rent and/or security deposit is not **paid in full**.*

b. RETURNED CHECKS

Any rental payments made by check shall be charged a handling fee if the check is returned unpaid. Payment of the late charge shall not cure any default of this Lease by Tenant(s), nor shall Landlord's acceptance of rent past due or late charges be considered a waiver of any default of Tenants(s), including Landlord's right to eviction proceedings.

c. KEY REPLACEMENT/LOCK-OUT

There will be a fee to let people into their units for lockouts and/or lost or misplaced keys after normal business hours. This fee will be charged to their tenant account and must be paid within 30 days or will be subject to late penalties.

IV. ASSIGNMENT/SUBLETTING

Tenant(s) agrees not to sublet said premises, or any part thereof, without the written consent of the lessor and all signed parties of the lease agreement. Any sublease or lease replacement is subject to additional fees and forms.

In the event one or more of the tenants named in this lease desires to vacate the premises, it shall not be the obligation of the lessor to find suitable sublease of the premises and remaining tenants shall be responsible for all obligations (including unpaid rent) under this lease agreement. Any assistance given in securing replacement tenants by the lessor shall in no way excuse the tenant's rent obligation or any other obligations enumerated herein. If the lessor is able to secure a sub-leasee, there will be a charge for this service.

V. CONDITIONS OF PREMISES.

Tenant(s) acknowledges that no representations, written or verbal have been made by the landlord or his agent as to any repairs that will be made to the property prior to Tenant(s) occupancy unless stated in writing and signed by agent. Tenant(s) further acknowledge that they have seen the Leased Premises and accept it in its present condition.

Tenant agrees to deliver said premises in as good order and repair as when first received, natural wear and tear excepted.

VI. INSURANCE/LOSS/LIABILITY

Landlord and Tenant(s) shall each be responsible for maintaining appropriate insurance for their respective interests. Tenant(s) must always provide their own renter's insurance while occupying the Property. The Property Owner's insurance does not cover any of Tenant(s)' personal belongings.

Tenant(s) hereby acknowledge and understand that Landlord will not provide any insurance coverage for Tenant's property and shall not be liable to any damage or loss of property, or injury to Tenant(s), nor their guests, family, or occupants. The Landlord will not be liable for any personal injury to Tenant(s) or damage or loss to Tenant's property, including but not limited to any injury, loss, or damage caused by burglary, assault, vandalism, theft, or any other crimes.

Should fire destroy or damage said premises so as to make them untenable, this lease shall cease from date of fire.

The Landlord will not be liable for any personal conflict among Tenants, tenant's guest(s), or with any other Tenant(s) or neighbor(s). Therefore, a conflict between Tenants does not constitute grounds for termination of this Lease.

Tenants are responsible for any and all damages caused by their own visitors. All tenants and their guests will conduct themselves in a mannerly fashion and shall be respectful to their neighbors. Failure to do so could result in eviction.

VII. UTILITIES

All necessary utilities shall be provided by the tenant at their own expense. In multi-unit buildings, tenants will be billed a proportionate share of utilities that are not separately metered and billed unless notified differently. The tenant assumes sole responsibility for telephone service and internet service, including, but not limited to, interior wiring and equipment.

Landlord will disconnect the utilities that are in their name on the date of commencement of this lease. It is the responsibility of the tenant to have said utilities connected and placed in their name. The tenant or tenants agree to pay for the initiation fee of \$50.00 to have the water turned back on and for all necessary cleaning (including sanitization and deep cleaning of carpet) to bring said premises to a condition satisfactory for a new tenant. Said cleaning to be charged to said tenants on a labor and material basis and to be itemized on the security deposit transmittal form. It is agreed by the tenant that these charges are to be deducted from their security deposit or damage deposit prior to its return.

VIII. EXTERMINATOR/PEST CONTROL

If from the beginning of this lease term or 30 days after the termination of this lease, an extermination service is necessary to rid the premises of bugs, cockroaches, rodents, bed bugs, or other infestations, then the cost thereof shall be paid by the tenants or if this lease agreement is terminated, then shall be charged to tenants' damage deposit.

IX. DAMAGES/REPAIR & MAINTENANCE

Tenant agrees to pay for any damages done to their occupied dwelling unit during their term of occupancy at the cost of repair or replacement. Damages are to be construed as any items that were not noted on the move-in occupancy inspection report. Any maintenance items charged to tenant during the lease term must be paid within 30 days of when the charge was posted or will be subject to late penalties.

Excessive abuse to carpets and other floor coverings due to a lack of normal maintenance shall be charged on a pro-rated basis on a five-year replacement straight line depreciation, painted surfaces are pro-rated on a three-year basis. All damages shall be charged on a labor and material basis. All keys are due at the end of the lease or when property is vacated, any unreturned keys or garage openers are subject to fees.

- i. Tenant shall not unreasonably withhold consent for Landlord to enter into the dwelling unit in order to inspect the premises, make ordinary, necessary, or agreed repairs, decorations, alterations, or improvements, deliver parcels that are too large for tenant's mail facilities, supply necessary or agreed services, or exhibit the Premises to prospective or actual purchasers, mortgagees, tenants, workers, or contractors.

In addition to all the terms of this Lease agreement, Tenant is obligated to adhere to the aforementioned obligations specifically listed in the Ohio Revised Code. Tenant also acknowledges and understands that Ohio Revised Code §5321.05(C) permits Landlord to recover for any actual damages, together with attorney fees, for any violation of the aforementioned obligations.

Additionally, Landlord reserves the right to terminate the Lease agreement and/or to maintain an action for the possession of the premises in the event of a violation of the aforementioned Tenant obligations.

Tenants shall report any issues, such as plumbing, water leaks, or others to Landlord immediately so as to prevent further damage to the property. Failure to immediately notify the Landlord of any issues to mitigate further damage will result in a violation of this Lease Agreement and the costs of repairs and damages will be charged to Tenant(s).

XII. LANDLORD'S RIGHT TO ENTRY AND INSPECTION

Tenant(s) shall permit the Landlord, its Agent or employees and any designated individuals to "except in the case of emergency or if it is impracticable to do so, give the tenant reasonable notice of the landlord's intent to enter and enter only at reasonable times. Twenty-four hours is presumed to be a reasonable notice in the absence of evidence to the contrary (ORC 5321.04 (10) (B))." A maintenance or management request by one of the Tenants in the Leased Premises constitutes permission for the Landlord, its agents, and its employees, to enter the Premises, unless specified otherwise in the request.

Tenant agrees to assume financial responsibility for additional charges of a subcontractor or designated individual whose entry to the Premises was hampered or prohibited by any actions of Tenant(s), guests of Tenant(s), or conditions caused by Tenant(s). Landlord may enter the Premises without notice in an emergency, as permitted by law. Landlord may show the Premises during reasonable hours to prospective Tenants, purchasers, or owners as long as proper notice was given.
